

2017 US OPEN - LAS VEGAS, NV

USA Taekwondo can today announce that the 2017 U.S. Open Taekwondo Championships will take place in Las Vegas, Nevada from January 31 to February 3 next year.

The venue for the tournament is the fantastic Westgate Las Vegas Resort and Casino, and we know many will be excited to see the event return to the place they consider its spiritual home. A long time favorite location of U.S. Open participants, Las Vegas looks forward to welcoming the Taekwondo community back to the city, and a great time is guaranteed on and off the mats.

The event will be four competition days in 2017, with matches taking place from January 31 to February 3 (January 30 will be the opening registration day. The international G2 competition days will be in February, with confirmed details to follow shortly).

We will of course have much more info for you in the coming weeks and months.
